

The Car Wash Show Exhibit Details

ICA understands that booth adjustments or cancels may occur given the move to November. The following allows for some flexibility should you need to make any changes.

Reduction in Space

- Exhibitors considering downsizing their current order of space may do so until March 21, 2021 with a 20% Reduction Penalty for any downsized space. After March 21, 2021, any downsize of space will result in a 100% reduction penalty for any downsized space.
- Any change in square footage will affect your priority point total for The Car Wash Show 2022 Selection.
- As many exhibitors are paid in full, any downsized funds due back will be in the form of a check within 45 days of request to downsize.
- Please connect with Carrie North at cnorth@carwash.org by March 21, 2021 should you need to make any changes.
